About E.B.A.I

Eye Bank Association of India (EBAI) is a national organization acting as a resource center for all eye banks and organizations involved in the eye donation movement.

Any person or organization can become a member of Eye Bank Association of India and help strengthen the eye donation movement.

Celebrities like Amitabh Bachhan & Jaya Bachhan, Aishwarya Rai, Zakhir Hussain, Pandit Hariprasad Chourasia, Tridandi Chinna Jeer Swamijee, Akkineni Nageswara Rao, Chiranjeevi, Rajinikanth and many more have endorsed eye donation. International Organisations like ORBIS, Lions, Rotary etc, have supported many of our activities.

"All of us have enjoyed benefit of deeds we did not do in our lifetime. One such benefit is being able to SEE the world. So why not let those who are less fortunate get the opportunity to do the same when we are gone. We all are temporary custodians of this wealth and should pass it on to someone when we leave this world (when we will have no further use of it)"

LET US ALL PLEDGE TO DONATE OUR EYES!
